My special guest today is Dr. Sharalyn Payne from Dallas TX. I've known Sharalyn from my time working at Washington Mutual Bank, before JP Morgan Chase bought them out, which is over a decade ago. But let me give you guys a bit of background on Dr. Sharalyn Payne, she is a Motivational Speaker, an Empowerment Teacher, a Performance coach, and a mentor. She's also an author and Entrepreneur, she launched her company PUSH Partners several years ago, and they are geared towards helping motivated people achieve challenging goals by Pushing you, Positioning You and Pulling for you. Sharalyn also started a school- E3 Preparatory & Leadership Academy, which empowers their students by providing them with the tools and resources necessary to become strategic problem solvers and thought leaders so they can inspire others and leave a positive mark on their communities and on humanity as a whole.

Thanks for listening 😊
