

Show Notes: S1 EP21 Earning an Income by being in service of others with Samson Nwakanma | @The.returnees [www.thereturnees.com](http://www.thereturnees.com) | @Gidijobsng [www.gidijobs.com](http://www.gidijobs.com)

My Special Guest today is Samson Nwakanma, he is based in Lagos, Nigeria, however he shuffles back and forth between Nigeria and the UK. Samson is a great example of someone who is earning an income by being in service of others. He launched two companies a few years back; Gidijobs and The Returnees, which are businesses that provide a platform for Nigerians who live in the Diaspora, whether it be the UK, North America or anywhere outside of Nigeria, and are now looking to return back home to Nigeria, and need to create their Network or establish new relationships, apply for career jobs, or start a business, which can be really challenging and hard if you've lived outside of Nigeria for several years.

He is a man of loyalty, integrity and hard work, I'm inspired by the things he had to overcome, and to see where he is now is just truly amazing!

Thanks for listening 😊
